### Just Try This When Hairy Growths Appear

(Modes of Today)  
A smooth, hairless skin always follows the use of a paste made by mixing some water with plain powdered delatone. This paste is applied to the hairy surface 2 or 3 minutes, then rubbed off and the skin washed, when every trace of hair will have vanished. No pain or discomfort attends the use of the delatone paste, but caution should be exercised to be sure that you get real delatone.

#### TOWN SCHOOL COMMITTEE

HOLDS REGULAR MEETING.

Present Teachers Re-engaged for Next Year—School Physician Reads Report.

The regular monthly meeting of the town school committee was held in the selectmen's room at the town building Wednesday evening at 8 o'clock. Those present were Mrs. K. Spaulding, Robert Fenton, C. C. Chase, H. Dion, Dr. F. E. Guild and H. C. Lathrop. The minutes of the last meeting were read and accepted. The teachers' committee recommended that all of the present teachers be re-engaged for the next year. It was also recommended that a teacher be secured for the primary grade at the North Windham school. Motion was made that Mr. Case be instructed to recommend an additional teacher for the Windham High school. It was also voted that Mr. Case be instructed to recommend a teacher to take the place of Mrs. Newton of the commercial department of the high school.

The report of the school physician, Dr. F. M. Smith, was read. He reported that the physical examination of pupils has been practically completed. When completed, notices will be sent to parents regarding the condition of their children. Most of the notices have to do with enlarged tonsils and adenoids and some cases of defective eyesight and suggestions regarding the teeth. There has been an epidemic of pinkeye in the South Windham school. There have been quite a number of cases of German measles in the city schools, but most of the cases have been light. The report was accepted.

### ONE WEAK SPOT

Many Norwich People Have a Weak Part and Too Often It's the Back.

Many people have a weak spot. Too often it's a bad back. Twinges follow every sudden twist. Dull aching keeps up day and night. Backache is often from weak kidneys.

In such case a kidney medicine is needed. Doan's Kidney Pills are for weak kidneys. For backache and urinary ills. Norwich people recommend the remedy.

Mrs. Mary Neff, 465 Main St., Norwich, says: "For many years one of my family was subjected to attacks of kidney complaint. This one suffered from pains across the loins and at times could scarcely get about on account of a stiff and lame back. The kidney secretions were irregular in passage and often contained sediment. Doan's Kidney Pills procured at N. D. Sevin & Son's Drug Store, proved of benefit from the first and soon every symptom of kidney complaint disappeared."

Price 50c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Neff recommends. Foster-McLburn Co., Props., Buffalo, N. Y.

#### To Rid Child of Worms

Don't scold the fretful, nervous child. Often it's due to worms. Get rid of these by giving one-half to one lozenge Kickapoo Worm Killer, a laxative worm candy. Give only plain nourishing food, lots of exercise and put to bed early. Watch stools and continue giving Kickapoo Worm Lozenges, they will positively remove the worms. 25c. at Druggists.

### Why the Student Chooses Kerosene

GOOD eyesight is a most important asset to a student. His eyes are the tools of his trade. Hence the almost universal use of the kerosene student lamp.

Of all artificial illuminants, the light of a good kerosene lamp is most like sunlight, and consequently the best for the eyes. Oculists both in this country and abroad testify to this most emphatically.

For purposes of general illumination, the convenience of gas and electricity is unquestioned. But for the quiet circle of the reading table, nothing is better than a kerosene lamp.

There are many good oil lamps. We recommend the RAYO, which does not smoke, smell or form wick crust—provided you fill

it with a uniformly good grade of kerosene.

To make sure of getting reliable fuel, say "So-Co-ny" to the grocer's boy when he comes to take your oil can. Socony is the name of the Standard Oil Company of New York's best kerosene. It is clean and clear-burning always, wherever and whenever you buy it.

Look for the Socony sign in the windows of the grocery, hardware or general store where you buy kerosene. It is a sign of quality and one of the easiest ways to recognize a reliable dealer.

We recommend the following oil burning devices as the best of their kind: New Perfection Oil Cookstoves and Water Heaters, Perfection Smokeless Oil Heaters, Rayo Lamps and Lanterns.
